THE

BYLINE WEEKLY

So That Brisbane Would Have A Voice of it's Own!

FRIDAY, APRIL 25TH, 1952---BRISBANE, CALIFORNIA-----VOLUME ELEVEN, FIRST EDITION.

A RETRACTION---AND AN APOLOGY!!

IN LAST WEEK'S ANNIVERSARY EDITION OF THE BYLINE WEEKLY---AN UNFORTUNATE CHOICE OF WORDS HAS CAUSED SOME LITTLE FUROR.

THE LITHOGRAPHED ADVERTISEMENT IN REGARDS JUDGE THOMAS L. BOCCI'S CAMPAIGN FOR JUDGESHIP OF THE NEW MUNICIPAL COURT USES THE WORD "INCUMBENT". OUR SINCERE APOLOGIES TO JUDGE BOCCI; TO JUDGE BECKER; AND TO VARIOUS OTHER INTERESTED PARTIES.

THE USE OF THE WORD "INCUMBENT" WAS ENTIRELY DUE TO OUR OWN IGNORANCE OF POLITICS, AND TO THE FACT THAT WE DID NOT KNOW THAT THIS WAS A NEW OFFICE FOR WHICH JUDGE BOCCI, AND HIS OPPONENT, JUDGE BECKER, ARE CAMPAIGNING.

THEREFORE: --

WE HEREBY RETRACT, AND APOLOGIZE FOR, THE USE OF THE WORD "INCUMBENT" IN JUDGE BOCCI'S ADVERTISEMENT. IN ALL FAIRNESS WE THINK YOU SHOULD KNOW THAT JUDGE BOCCI HIMSELF CAME TO US ON FRIDAY---TOO LATE THEN TO RETRACT---AND PROTESTED THE WORD "INCUMBENT". WE PROMISED HIM THIS RETRACTION. WE ALSO APOLOGIZE TO MR. JOHN BELL, WHO CALLED US BY PHONE ON SUNDAY, ALSO PROTESTING THE USE OF THE WORD "INCUMBENT". WE PROMISED HIM THIS RETRACTION. WE ALSO APOLOGIZE TO JUDGE CHARLES BECKER, WHO IS ALSO CAMPAIGNING FOR THIS IMPORTANT POST. WE RECEIVED A NEWS RELEASE FROM HIM PROTESTING THE USE OF THE WORD INCUMBENT IN MONDAY MORNIN' S MAIL. WE HAVE PROMISED HIM THIS RETRACTION.

OUR APOLOGIES TO ALL CONCERNED!

-----the editor.

CHANUTE AFBASE, ILL.
April 16:52

Hi, Reeces:

Just a few lines to say "hello". and see how you are getting along. I'm stationed in Illinois, and I'll be here for about 40 days---then on to places unknown. This is a pretty good base---a lot better than the others I've been at in Texas. The food is even good here, and the WAFS are friendly---so I've got it made for awhile! (Ha!) How is the town getting along? I sure miss it and the people in it. Tell everyone hello for me, will you?

I'm taking more school here---I can't say what it is, but it's interesting!

Got to go now, so please keep the BYLINES coming. As ever,

"ROWBOAT".

ROBERT S. OWENS A/2/C-19415630AF--3357 Sch Sq Box 1513-H--CHANUTE AIRFORCE BASE--Illinois.

Thank you, Rowboat--for the nice letter. In regards to your postscript asking for Bob Mink's address, please look up in the first paragraph on this column. Would like to know what "A/2/C" means, please????

We finally met Marine Sgt. Johnny Coryell's new bride, and a lovely young thing she is, too! They were married at Bell, California, on the 29th of March, 1952. They spent their honeymoon just meandering, ala motor-car! But now the Sgt. is back Sgt-ing again, at the P.X. Hdqtrs. in San Diego.

Don Walton, son of Mrs. Helen Brady and brother to Kenny Walton, both of Brisbane, is expected to come home on leave soon.

Well, can---that's all for this week. And there won't be a BYLINE next week, because ye olde editor has to paint her new store and office. Hokay? Bye!!

EDEN TOP

IMPORTANT NOTICE:

BECAUSE:---there are five Fridays in May, and

BECAUSE---the Byline generally takes off for the fifth Friday of every five-Friday month---and

BECAUSE---the last two weeks in May are important ones for the gentlemen who are campaigning for the several important offices for which we will all go to the polls and vote on June 3rd----

WE HAVE DECIDED that the last Friday in May must have a Byline issued on account of said election---so---

THE BYLINE is taking the first Friday in May this time, as it's inventory and "paint-up" week---so---

THERE WILL BE NO BYLINE ISSUED ON MAY 2ND

Remember---no BYLINE next Friday!

THE NEXT ISSUE OF THE BYLINE WILL BE PUBLISHED ON MAY 9TH, 1952.

WATCH FOR US THEN!

BRISBANE P.T.A. MEMBERS AT CONVENTION:

Over 3000 delegates attended the State Convention of the California Congress of Parents and Teachers last week at the Civic Auditorium in San Francisco. It is a surprising and encouraging fact that of these delegates 100 were men presidents. An estimated 157 men lead various units throughout the state. But---of course, men are parents, too.

On hand as our Brisbane P.T.A. delegates were Mrs. Milton Jensen, president Mrs. Roy Edwards, and Mrs. K. Darrel Wooden. Attending Thursday evening's general session were Mesdames Ralph Adkisson, Roy Edwards, Frank Hughes, Milton Jensen, Alfred Pistohl, George Radoff, Jr., Robert Truelson, F.R. Whitson, K. Darrel Wooden, Miss Lois Barry, principal, and Miss Natalie Lipman, superintendent. Highlighting the assembly were the Mothersingers.

Brisbane unit was also represented at your 17th District's reception and supper at the Bellevue Hotel.

"Geography of Hunger" is a book which all thinking people should read, according to Dr. Daniel Prescott, who spoke at the general session on Friday. This book has been ordered by our local Librarian, Mrs. Walden Delbon. Theme of the convention was "Families are our Business".

March was a busy month for Johnny Eeryoll, son of Mr. and Mrs. Frank Kaherl of the Brisbane Auto Court. First, the Marine Corps gave him another stripe, raising his rank from Cpl. to Sgt.--so Johnny decided on the 20-year hitch.

Then, on the 29th of March, 1952, he was married to Miss Dolores Grimland, formerly of Texas, and now living in Bell, California, with her parents.

Mr. and Mrs. Kaherl attended their son's wedding and the reception following but the bride and groom escaped later, coming straight to Brisbane to spend a few days with the Kaherls. They then left for Russian River, to spend a few honeymoon hours, and thence to Santa Cruz. Returning here, they spent a day

POLITICAL: - OF INTEREST TO THINKING VOTERS:

FROM THE S.M.CO. DEMOCRATIC COMMITTEE:

Re: KEFAUVER:

San Mateo Co. will witness it's biggest Democratic rally when U.S. Senator Estes Kefauver, the leading Democratic contender for President, and major Calif. political leaders appear at a Jefferson-Jackson day dinner to be held Friday evening, May 23rd, in the S.M.Co. Fiesta bldg. at 2501 Pacific Boulevard, San Mateo.

Kefauver will be the featured speaker at this affair, which is being sponsored and planned by the S.M.Co. Democratic Campaign Committee, headed by Marion H. Kent, chairman, and Frank Rose, co-chairman.

Others who will speak are Edmund G. "Pat" Brown, state att'y gen.; Congressman Clinton D. McKinnon, of San Diego, Democratic candidate for U.S. Senator from California; and the following S.M.Co. Convention endorsed candidates: Harold F. Taggart, candidate for Congressman from this county; Roy Archibald, candidate for State Senator; Thomas Jenkins, candidate for State Assemblyman from the northern section of the county; and Arnold C. Johnson, candidate for State Assemblyman from the southern section of the county.

Since this is the only Jackson-Jefferson day dinner planned in this area, Democrats from the two congressional districts of San Francisco and the congressional district which includes Santa Clara, San Benito, and Santa Cruz counties will be invited to participate.

Arrangements have been made to accommodate a large crowd in the County Fiesta building, which has a capacity of over 3,000. It is expected that 1000 Democrats will attend and pay the following dinner ticket prices; \$15 for single admissions; \$25 for couples. Funds raised will be used in coming campaigns.

Headquarters of the campaign committee have been set up at 1481 Burlingame Avenue, Burlingame. (Diamond 3-3650).

FROM THE S.M.CO. COMMITTEE FOR MCKINNON:

Congressman Clinton D. McKinnon, of San Diego, Democratic candidate for U.S. Senator from California, will make his first campaign tour of San Mateo County on Monday morning, April 28th. Edward J. Reilly, San Mateo Co. chairman for the McKinnon campaign, announced the schedule of stops was to be completed this week, and would include meeting civil officials, people on the street, business men at their stores, commuters at railroad stations,

tions, workers in plants, and Democratic party workers.

A cavalcade of cars will follow McKinnon through South San Francisco to San Bruno where a mid-morning discussion has been arranged. Short stops will be made in Millbrae, Burlingame, San Mateo, Belmont, San Carlos, Redwood City, Menlo Park, and East Palo Alto.

The group will then return to San Mateo where McKinnon will make a major address at a luncheon meeting of Democratic officials, candidates and precinct leaders to be held in the Chukker restaurant, 20th and ElCamino Road. The public is invited to attend.

Chairman Reilly announced that at the organizational meeting of the McKinnon committee held last week, he had appointed John M. Sullivan, of 2825 Hacienda Street in San Mateo, as committee treasurer; and Jerry Joreslow, 401 Twenty-ninth Avenue, San Mateo, as committee publicity director.

FROM THE S.M.CO. REPUBLICAN CENTRAL COMMITTEE:

The San Mateo County Republican Central Committee is supporting Judge Daniel J. Creeden of San Mateo, candidate for Assemblyman from the 25th District on both the Republican and Democratic tickets, according to J. Ed. McClellan, chairman of the committee. The 25th District includes parts of San Mateo, all of Burlingame, Millbrae, Lomita Park, San Bruno, South San Francisco, Daly City, Colma, Brisbane, Bayshore, the north of the Coastside, and all unincorporated areas to the San Francisco County line.

Judge Creeden is planning his campaign committees in all of the towns of the 25th District. As soon as organization is complete, names will be announced, he stated recently.

FROM HAROLD F. TAGGART CAMPAIGN HEADQUARTERS:

At a meeting of the county-wide committee of former students for Taggart, held on Wed. afternoon, April 9th, at Campaign headquarters, Harold F. Taggart, Democratic candidate for Congress from San Mateo County, reviewed the progress made in the adoption of the recommendations of the Hoover Commission for economy in Government.

He noted that 22 out of 32, or about 69% of the Hoover Commission proposals have already been adopted and put into effect. Taggart supports, with minor exceptions, the adoption and activation of the remaining 10 recommendations.

"YOUNGER FOR CONGRESS" GROUPS ORGANIZED:

Organizational activities have been started throughout the entire county under direction of Republican community

POLITICAL: (continued from page four)

Leaders who are staunchly backing Arthur Younger, the Ninth Congressional District candidate chosen by the Republican Fact Finding Committee, according to Henry Bostwick, Jr., headquarters manager and community co-ordinator for the Younger Committee. Bostwick said recently: "The Younger campaign is receiving active support from many civic and welfare groups interested in the progress and representation of San Mateo County in Washington by an experienced businessman. Because of Younger's background and ability he was selected from a group of 13 Republican leaders as the official candidate of the County-wide committee. It is gratifying to see the whole-hearted support by the men and women of this county who are interested in good government administered by honest and informed leaders."

FROM THE "BECKER FOR JUDGE" HDQTRS:

Judge Charles Becker, candidate for the office of Judge of the new municipal court, today formally requested that his opponent for election refrain from using the campaign terms "re-elect", "retain", and "incumbent", in his advertising.

In a letter to his opponent, Judge Becker said that it was unfair to employ misleading terms, when it is common knowledge that both men are seeking to be the first judge of the new court. In requesting that the advertising terms be removed from existing literature, Becker said he felt it more important to the people to present the facts squarely than it is to elect either candidate. (Editor's note: please see the front page of this week's issue of the BYLINE weekly, in regards to this news release.)

FROM THE "BOCCI FOR JUDGE" HDQTRS:

Strong support has been accorded Judge Thomas Bocci's candidacy for election to the north San Mateo county municipal judgeship this week with the announcement that E.B. Flynn of San Bruno and George Glass of Daly City have pledged their support to Judge Bocci's campaign. Flynn, prominent in north county real estate circles, stated to the press, "I have known Judge Bocci for many years, both off and on the bench, and I know of no fairer man for the office of Municipal Judge than he." The majority of North San Mateo County leading business men and civic leaders have pledged support to Bocci's election, including veteran leaders, fraternal groups and many of our leading women's organizations.

EDITOR'S NOTE: THE ABOVE NEWS RELEASES WERE SENT TO THIS PAPER FOR PRINTING AND ARE NOT NECESSARILY THE VIEWS OF THE EDITOR OF THIS PAPER.

"QUICKIE" DRIVE SET FOR FLOOD VICTIMS:

Flood victims need your help now! The San Mateo County Chapter, American Red Cross, must raise between \$3000 and \$10,000 at once. If you are willing to give something to aid in the relief of these unfortunates who have had to abandon their homes and farms---thousands have lost their all---please turn on your porch light Friday evening, April 25th.

On Saturday, April 26th, in the business district of every town more volunteers will man posts at busy points to accept donations from Saturday shoppers and business firms. Every penny of money given in this "Quickie" drive will be used for flood relief. If you are missed, you may mail your gift to "Flood Relief" in care of your local Postmaster, who will turn it over to the Red Cross. Mr. Arthur Kennedy, of 1100 Humboldt Road, Brisbane, is the local "Quickie Drive" chairman.

"Open your heart and your purse, once more", is the plea of the Executive Committee of the local chapter, which met in emergency session last Friday in the office of Dan Minto, Chapter chairman. Plans were formulated to ask every available group, club, and organization to help in this desperate emergency.

--MRS. CHARLES CRIGG, public information, S.M.CO.
AMERICAN RED CROSS CHAPTER.

WEEKEND IN FRESNO:

The annual Jefferson Union High School Spanish club's musical comedy show, this year entitled "Brazil", will be held on Friday, April 25th, at the High School auditorium at 8 p.m. It promises to be one of the outstanding highlights of the school year. Senor Howard B. Miquel, Spanish teacher and director of the show, is well known for his colorful extravaganzas and surprises his audiences each year with new and original settings, music and skits. The numbers are played, danced and sung by the lavishly costumed students at Jefferson. This year's star is Brisbane's Judy Woodard, who will be pianist and will sing some specialty numbers. Chairman Jack urges all parents to attend this revealing discussion. The panel of experts on the forum will include Fred Wyckoff, prosecutor in the district attorney's office; Walter Croighton, James Tormey, Elmer Gentry, Sheriff Whitmore, and Dr. D.W. Boudett.

BRISBANE LION'S CLUB ELECTS OFFICERS: At the Wednesday noon meeting of the Brisbane Lion's Club, the following officers were elected: TED DACLER, president; H. EARLE WOODARD, First Vice; ORRY FACCHINI, Second Vice; RICHARD SEISS, Third Vice; FRED [unclear], Secretary; WARREN REECE, Tail-Twister; PISA, Lion Tamer; Directors---- LATE REED, JIM WILLIAMS, RAY BROWN, GENE FIRTH, & DICK SCHROEDER. At this meeting it was decided that the annual Western Days Celebration would be held in the last week in July. All local clubs are being asked to participate, and to get in touch with Fred Laine, general chairman. There will be a Queen Contest open to local girls sponsored by clubs and organizations.

EDWARD E KELLER NAMED AS COMMUNITY CHEST CAMPAIGN CHAIRMAN: Glen O. Smallcomb, president of the Community Chest of San Mateo County, announced the appointment of Edward E. Keller of San Mateo as County Campaign Chairman for this fall's drive. Mr. Keller was introduced to the members of the official board at its meeting held Monday evening. Campaigning is not new to Mr. Keller. He has been associated with Community Chest campaigns in San Francisco for the past 11 years. When asked by president Smallcomb if he would serve as chairman of this year's San Mateo County campaign, he cheerfully accepted with this statement, "My home is in San Mateo County, and, although my office is in San Francisco, this is where our families and especially our children receive the benefit from the Community Chest agencies." For campaign purposes the county will be divided in three sections; North County, Central County and South County, with a Vice Chairman supervising each operation. The Vice chairmen and other members of Keller's campaign cabinet will be announced shortly.

MOVE ON TO REMOVE ALL EMERGENCY CONTROLS OVER HOME BUILDING: The time has come for the Federal Government to remove all emergency controls over home building and other construction, according to I. E. Horton, South San Francisco lumber and building materials dealer and member of the Public Affairs Committee of the National Retail Lumber Dealers Association. "Unless both credit restrictions and construction controls are removed promptly, there soon will be an over-supply of metals and other materials commonly used for building purposes," Mr. Horton said. "The latest information from Washington shows that the quantity of steel, copper, and aluminum available for use in building has been increasing steadily and will be more than sufficient to meet normal construction requirements by the time builders will be able to get additional work under way in any volume. Builders and contractors also should be allowed to use any controlled materials which they have in inventory or can get on the open market so as to permit greater flexibility in construction. The existing controls, adopted before the materials situation began to improve, are throwing the local home building pattern out of balance by allowing only enough controlled material to build smaller homes. Construction now is the only major industry whose volume is being effectively held down below demand by the controls system."
